

Hafsanur Sancaktutan

BIOGRAPHY

Born in 2000, Hafsanur Sancaktutan began performing in theater after completing her high school education and receiving acting training. In 2018, she gained attention with her portrayal of Fidan in the series "Gülperi," followed by a leading role in "Aşk Ağlatır." Her performance in "Last Summer" brought her widespread recognition and great acclaim. In 2021, she crowned her success with consecutive "Best Breakthrough Actress" awards, and also made headlines with the Disney Plus series "Between The World and Us" Her performance in "If You Love" earned her the "Best Romantic Comedy Actress" award at the 49th Golden Butterfly Awards. With her leading role in the Show TV series "Valley of Hearts," she gained a large fan base abroad. A preferred name for both domestic and international brands, Sancaktutan is currently appearing on television screens in the series "Kıskanmak."
